

2010 SCCCS/CAA Track and Field Competition PVCS Registration Form

Registration information:

- The 2010 track meet will be held at Mt. San Antonio College, Walnut, CA, on Apr. 24-25 (Sat. and Sun.). Based on past years, most individual events will be held on Saturday, and most relay events will be held on Sunday.
- PVCS would like to encourage all students to participate in relay events. In particular, we ask parents to clear their calendars for Sunday's events.
- Basic registration fee this year is \$15/person. This includes participation in one individual event, up to three relay events (to be determined based on individual age, skill level, and team needs by the coach), and lunch for both days (provided by the PTA).
- CAAA regulations limit participation to three individual events per athlete. Individuals who wish to participate in two or three events will pay additional registration fees based on CAAA regulations.
- We will begin training soon, first between 8:00-9:00 AM at Upland Jr. High School each Sat., then approximately one month before the track meet we will meet on Sunday mornings on the athletics field at Claremont High School. We have a very experienced track and field coach this year to help us train, so please take advantage of this wonderful opportunity!
- Please provide us with your cell phone number and email address, so that we can reach you to schedule training days.

Participant English/Chinese name: _____

Participant birth year (age groups are determined by year only): _____ Gender: _____

Guardian English/Chinese name: _____

cell phone number: _____ email address: _____
